

Glass Handles/Pulls and Knobs

This hardware is well suited for decorative, light-duty use. It is **not** suitable for use in applications where it will be subject to heavy weight loads or stress loads.

 **Caution:** *This hardware is fragile; it is not made of tempered glass. Do not overtighten the bolts when installing this hardware. The nature of the glass material is such that it can shatter if mounted too tightly. To reduce the tension, drill the pilot holes slightly oversize when installing this hardware.*
